

MEMBERSHIP APPLICATION – SASKATOON 567 CLUB

The Saskatoon 567 Club is a non-profit organization dedicated to the support, promotion, restoration, and preservation of classic 1955-1956-1957 Chevrolets, including Chevrolet & GMC trucks, Corvettes, and Pontiacs. Enthusiasts who share an interest in these iconic vehicles are welcome to join the club, regardless of whether they currently own one. There are no age restrictions, and you don't need to have a vehicle to become a member. Our members often have other special interest vehicles to appreciate, and you are welcome to join with yours. The club hosts meetings, events, and provides a platform for connecting with fellow enthusiasts.
